

**U.T. Administration of
Dadra and Nagar Haveli and Daman & Diu
(Dadra Nagar Haveli District Disaster Management Authority)
Collectorate, Silvassa, DNH**

No. ADM/DM/MFP/407/2022/1244

Silvassa Date: - 13/07/2022

ADVISORY

The Indian Meteorological Department (IMD), Meteorological Center, Ahmedabad in its press release dated 13/07/2022 at 18.00 HRS has issued forecast stating heavy to very heavy rain (64.5 – 244.4mm) at most places in the District of Dadra & Nagar Haveli over next 48 Hours.

The District Administration of Dadra & Nagar Haveli is prepared for any impending situation. The District Emergency Operation Center (DEOC)/Flood Control Room (FCR) at Collectorate, DNH, Silvassa is operating 24x7 hours, monitoring daily rainfall, release of water from Madhuban Dam, keeping track of warning and alerts issued by Indian Meteorological Department (IMD) and attending to citizens' complaints.

Public may contact the Control Room number 1077, 0260-2412500, 87800 01077 for any updates, information, grievances or complaints regarding heavy rain, water logging and any other severe flood like incident.

In view of the weather forecast issued by IMD citizens are advised to remain alerts and stay indoors, refrain from going near the river area, be safe and follow the warning and alerts issued by the department from time to time.

The latest updates on daily rainfall, Madhuban Dam water level, release and alerts are also updated through verified social media handles (@CollectorDnh & @DNH_DMA) on twitter.
