

No. PCC/DDD/OCMS/2016-17/ 671
Pollution Control Committee
DD & DNH
Daman

Date: 30/12/2019

CIRCULAR

Sub: Registration of all units in the UT of Dadra & Nagar Haveli – reg.

Pollution Control Committee, Daman & Diu and Dadra Nagar Haveli has launched Online Consent Monitoring and Management System (OCMMS) on 23/04/2018 for grant of Consent to Establish, Consolidated Consent and Authorisation and Hazardous and Other Waste Authorisation. OCMMS is also equipped with the facility to receive scanned copies of annual report and other environmental analysis reports.

However, it is observed by the Pollution Control Committee that some of the industries categorized under Category-I, Category-II and Category-III have not registered themselves on the online portal. Also, the database available with PCC, DD & DNH does not reflect the details of new/ existing industries on the online portal.

Therefore, it is to inform that the remaining units in the UT of Dadra Nagar Haveli are requested to register their units through the OCMMS portal to regularize the process.
