**UPDATING DETAILS OF INDUSTRIAL STAFF/LABOURERS ON PORTAL**

As you are aware COVID 19 cases has been increasing day by day. To have the data base of the industrial employees viz. vaccinated, age group etc., a portal “<https://industries.dddgov.in/>” was created wherein the industries were required to login with their registered mobile number and Pin to fill in the data. They have already complied the directions earlier and filled their respective date. **But again we need some vital information in this portal, which has to be provided by Industries.**

Recently during a review meeting it was observed that very few industries are updating their data on this portal resulting in poor management of COVID cases. **All the Industries and Industrial Associations of Dadra & Nagar Haveli and Daman & Diu are requested to strictly adhere to the directions and take necessary action to inform all the industrial establishments to use the portal effectively, to help the Administration to ascertain the vaccination figures and devise disaster management strategy.**

**All Industries are hereby required to fill their respective data on this portal latest by 22/04/2021.** Strict action will also be taken against the defaulting industries which may please be noted.
