IMPORTANT - Delay due to outbreak of Corona

Many members of the constituent Associations are asking us what to do if, delay will occur to non-supply of equipment from China due outbreak Corona.

It is suggested that consumers who are facing or apprehending the delayed supply on above account, must write a letter to DNH PDCL with substantial evidence, like copies of mail / communication from the suppliers.

Copies of such letters may be handed over to respective Association. Thereafter, FEDERATION's delegation will take it up collectively with Hon'ble Administrator, DNH&DD.

Atul Shah, President
