

Monsoon Shed update

Updated at 11:19 on 10-8-2020

FIA 141

Dear Members:

As updated earlier Silvassa Municipal Council has agreed to grant time for payment of tax on erection of monsoon sheds, even to the extend of easy equal monthly installments.

As far as PDA is concerned, Administration has supplied a google form link in which industries are required to fill in the information. A suitable decision on the required and possible relief might be taken based on information gathered.

The letter from SMC referred in this update is being posted once again for information of industries located in the municipal area.

Other industries have to fill in the google form link of each is also being posted today.
