- (5) MSTC will activate the login and they will mail the reference number.
- (6) After activation we have to offer the Item (Scrap) with quantity and quality of scrap to be sold with Chapter heading number and valid period to OI DC. The same they will provide to MSTC to upload.
- (7) Auction may be conducted separately for each seller.
- (8) Contract period shall be for one year from the date of agreement.
- (9) The Auction of scrap purchase and sale will be done by MSTC on the portal with whom registered every fortnightly and may be considered if the seller has to sell their scrap earlier. The material offered for Auction for sale can be inspected at site or through photographs with the permission of sellers.
- (10) There shall be deduction of 5% as service charges from the bill of seller (2.25% for MSTC and 2.75% for OI DC).
- (10) Federation feels this is a very transparent and industry friendly arrangement. Federation appeals it should be adapted whole heartedly.

Thanking You

With regards,

For Federation of Industries Association,
