**Subject: Integrity of natural gas pipeline at Dadra and Nagar Haveli**

Dear Sir,

Gujarat gas limited is a subsidiary company of Gujarat State Petroleum Corporation limited, a Govt. of Gujarat enterprise.

The purpose of writing to this letter is to draw your kind attention towards our grave concern about recent damages on the underground gas distribution pipeline network and also to reiterate the need for better co-ordination in our activities in the interest of public safety at large.

It has come to our notice that various utility companies/authorities during their respective utility construction/ maintenance work/ excavation, are carrying out work in an unplanned manner and gas pipelines are damaged during the work. This is not only causing leakage of gas but there is high potential of fire incident which may have adverse effect on property and public safety at large.

Year	Gram Panchayat	SMC / PWD	DNHPDCL	OFC	Other
FY 18-19	0	18	8	0	8

GGL is carrying out patrolling activity on our network and our patrolmen are deputed during all third party excavation activities. We are ready to provide all necessary information and support to prevent such reoccurrences and expecting the same from your end. We also have Emergency control rooms working 24x7 for prompt response to any untoward incident.

The Emergency numbers are: **7698099996 or 0260- 24 01 838**

In view of the above, we request to avoid machine excavation on the charged network so that the damages of GGL network can be minimized.

Yours Sincerely

Rahul Agrawal
