Dear Sir/Madam,

Corporate Social Responsibility ("CSR") was for the first time introduced as a statutory obligation for companies by way of Companies Act 2013 under Section 135. Thereafter, the Companies (Corporate Social Responsibility Policy) Rules were notified on 27th February 2014 ("CSR Policy Rules, 2014") to lay down the specifications and procedure to be followed by the companies while discharging their CSR obligations.

The Companies Amendment Acts of 2019 and 2020 has resulted in some major changes in the CSR provision under Section 135 of the Companies Act.
