Respected Sir,

Subject: Supervision Charges as per Supply Code 2018

Reference: Copy of Gazette Notification 2018 dated 26th November 2018 (JERC: 23/2018)

With reference to the above subject, we would like to draw the kind attention of Hon'ble Commission that, in the Supply Code 2018 on Page No. 108 in Clause No. 5.47 (The Demand Note shall contain the following details) Sub Section 2. It is mentioned that:

"Provided further that if the applicant is getting the work done by himself, Licensee can charge supervision charges on the labour component of the work at the rate of 15%. The Goods and Services Tax (GST) on the supervision charges, if any, shall be recovered from the applicant"

Inspite of the Provision Supply Code 2018, the DNHPDCL is still recovering supervision charges on entire work including material and labour cost. So, Hon'ble Commission is hereby humbly requested to direct DNHPDCL to adhere to

Provided that the time taken by applicant in rectifying the defects/deficiencies found at the applicant's premises shall not be included in the timeline specified above:

Provided further that wherever the Transmission Licensee's involvement is required in the process for time and cost estimation, the time taken by the Transmission Licensee shall not be included in the timeline specified above.

5.47 *The demand note shall contain the following details:*

- (1) Details of the works (including service line) to be undertaken for providing electricity supply;
- (2) Charges for the abovementioned works to be paid by the applicant in accordance with the schedule of charges specified by the Licensee as approved by the Commission:

Provided that if the applicant wishes to carry out the works himself, the same shall be permitted under supervision by the Licensee's official. Adhering to the estimate and layout approved by the Licensee, the applicant can get the work of drawing of service line from the Licensee's distribution mains up to his premises through a 'C' or higher-class Licensed Electrical Contractor (LEC), and the work of extension of HT/EHT line, Distribution or HT substation and LT line only through an 'A' class LEC. In such case the consumer shall procure the materials. The Licensee will issue a list of empanelled manufacturers for procuring material to be used by the consumer. The consumers can purchase materials of any make from the list of empanelled manufacturers. The Licensee may ask for documentary evidence to verify the quality of materials used:

Provided further that if the applicant is getting the work done by himself, Licensee can charge Supervision Charges on the labour component of the work at the rate of 15%. The Goods and Services Tax (GST) on the Supervision Charges, if any, shall be recovered from the applicant:

Provided also that if the applicant chooses to get the extension work done on his own, the applicant shall get the work done within the timeframe specified in Regulation 5.52 of this Supply Code, 2018, failing which the Licensee may, on giving 15 days' notice, treat the application form for supply as cancelled.

(3) Amount of security deposit as specified in Annexure -XVIII to this Supply Code, 2018.

- 5.48** *The applicant shall make the payment within 15 days of receipt of demand note, failing which the application form shall stand lapsed and the applicant shall be informed accordingly in writing under acknowledgement. The Licensee's obligation to energize the connection shall arise only after receipt of full payment. The Licensee may grant additional time to the applicant for payment of charges in case the applicant submits a written request for the same, within the 15-day payment period.*
- 5.49** *The demand note shall be prepared as per the provisions of this Supply Code, 2018 and on the basis of charges specified by the Licensee with the prior approval of the Commission from time to time. The Licensee shall submit a proposal to the Commission along with the Tariff Petition for approval of various charges to be charged by the Licensee in demand notes. The demand note, once made for an applicant, shall be valid for two months.*
- 5.50** *Any excess/deficient payment made by the consumer shall be adjusted in the subsequent two bills.*
- 5.51** *If as per this Supply Code, 2018, provision of supply requires installation of a distribution transformer within the applicant's premises, the applicant shall make available to the*
