

**Online Seminar on
Skilling Yourself: How to manage your career in changing times
Friday May 07, 2021**

Dear Sir/ Madam,

The digital advancements in today's world are changing rapidly as well as our leadership visions and capabilities, organizational environments, and customer choices. These changes are affecting the way we do business, hence now more than ever it has become critical to navigate through these multiple complexities within our organizations and equip ourselves with capabilities around self-leading people and leading businesses.

IMC Chamber of Commerce and Industry has partnered with Deakin Co, part of Deakin University, ranked amongst the world's top Universities to equip students and early / mid-professionals with skill development in the areas of Data Driven Marketing, Digital Literacy, Teamwork, Financial Literacy, Critical Thinking, Innovation, Communication and Customer Experience.
