PRESS NOTE

The Commissioner (UTGST) Dadra and Nagar Haveli had convened a meeting with Industries Association, Silvassa and Chartered Accountants regarding issues being faced by industries for preparing invoices and generating e-way bills after the merger of both the UTs i.e. Dadra and Nagar Haveli and Daman and Diu. It was decided that sale of goods and services between UT of Dadra and Nagar Haveli and Daman and Diu will be consider as local sales and not as Inter-State sales.

In view of the above, it is decided to generate invoice bills and e-way bills wherein the tax shall be UTGST and CGST and name of the Union Territory shall be Dadra and Nagar Haveli and Daman and Diu. The necessary changes in GST common portal has also been taken up with GSTN and soon it will be updated on the portal.
