

Dear Sir/Madam,

**Webinar on “GST – Recent Initiatives, Challenges and Way Forward”

Goods and Services Tax has now completed three years. During this time, there have been various challenges faced by businesses as well as the Government, Central as well as States, which have resulted in the numerous amendments and clarifications. The on-going pandemic has put an additional strain on businesses which has necessitated various relaxations being introduced by the GST Council.

The IMC's Indirect Taxation Committee has organized a Webinar on “**GST – Recent Initiatives, Challenges and Way Forward**” with **Mr. Vivek Johri**, Member GST, IT and Tax Policy, Central Board of Indirect Taxes and Customs.

The focus of the Webinar would be to appraise the Members of the Chamber about the recent initiatives of the Government around the GST law, the focus areas likely in the coming year as well as to address the issues raised by Members regarding the challenges faced by them and the possible way forward thereto.
