CIRCULAR

UT Administration of Dadra and Nagar Haveli and Daman and Diu is celebrating "Seva Pakhwada" to enhance healthcare accessibility and awareness starting from 17th September till 2nd October. As a part of "Ayushman Bhava" campaign several activities have been planned during "Seva Pakhwada"

An online organ donation pledge registry will be initiated during the 'Sewa Pakhwada' to register the pledges of willing citizens all over the country. Any individual of age 18 years or above can fill the pledge form. It is a fact that there is an acute shortage of human organs as compared to the requirement of organs for saving the lives of a large number of patients suffering from end stage organ failure in the country. Therefore, the initiative is taken up to promote cadaver organ donation in the country.

You are hereby requested to promote organ donation by taking pledge from maximum numbers of people during the "Seva Pakhwada". The link for online pledge is <https://notto.abdm.gov.in/>.

(Suresh Chand Meena)
J.S. (Health)/ M.D. (NHM)
