PARIVAHAN SUVIDHA An Ease Of Doing Business

I am a Transporter

I am a transporter, service provider for transportation by submitting quotation and assigning driver

- Posted Loads
- Current Booking
- Active Trip
- Manage Truck
- Quotation History
- My Trip
- Add driver

Application Objective:

- This solution will be helpful for Transporter, Truck Owner/Driver and Industries on One digital platform.
- This will also be helpful for Truck Driver to get more job opportunity & Industries will easily get the transport services.
- Industries will easily get the Transporter/Truck Owner/Drivers and can Transport goods on time.
- All this may lead to increase the Transport Business and make the whole process easy and may lead to betterment of Service.

Parivahan Suvidha Application Acts as a
Bridge between the Service Seeker and
Transporter
