

Dear Member,

Greetings from the Ladies' Wing of IMC Chamber of Commerce and Industry

IMC Ladies' Wing invites you for an inspiring talk on - **A World of Three Zeroes with Professor Muhammad Yunus** to be held on Wednesday, 16th September, 2020 at 4 pm through Video-Conferencing on Zoom

Nobel Peace Prize Laureate and Founder of Grameen Bank Professor Muhammad Yunus, known as the banker to the poor, will present his vision for zero poverty, zero unemployment and zero net carbon emissions world.

In conversation with **Mrs. Radhika Haribhakti Former Chairperson of Women's World Banking**, Professor Yunus will share his forthright vision of establishing a new kind of capitalism, where altruism and generosity are valued as much as profit making, and where individuals will not only have the capacity to lift themselves out of poverty, but also affect real change for the planet and its people.

With A World of Three Zeroes he offers us a challenge to embrace a new form of capitalism, and improve the world for everyone before it's too late.

Be a part of an inspiring and thought provoking session to make lasting connections to create positive change.
