Gentlemen,

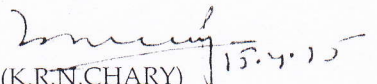

At the outset let me congratulate you on the achievements all of you have made in the financial year 2014-15. I press my heartfelt good wishes for a progressive and prosperous year ahead.

It gives me immense pleasure to share with you that the revenue contribution to the national exchequer by this Commissionerate through all your active support and sincere efforts has been praiseworthy and has enabled us to surpass the target fixed by the Board. Though we are a small Commissionerate which has been carved out from the erstwhile Vapi Commissionerate, our revenue collection during the financial year 2014-15 has been noteworthy. This would not have been possible but for the co-operation and support of the members of Industry as well as Trade, individually and collectively.

On behalf of the Commissionerate, I thank each and every assessee for helping us achieving the targeted amount as tax collection and at the same time achieving higher scale in their own field. I also look forward for the same attitude in the coming years with a good wish of your progress and prosperity. It will not be out of context to mention that the Nation will grow and prosper if we all are in tandem, marching ahead with hand in hand; even though we contribute a little more as we can, being proactive and compliant of laws and rules.

Once again thank you all very much.

Yours faithfully,

(K.R.N.CHARY) 15.4.15
Commissioner,

Central Excise, Customs & Service Tax,
Silvassa.
