With immense pleasure, we inform that the worker housing system which was to be implemented at the Union Territory of Dadra & Nagar Haveli, is now at the verge of completion and will be ready by the coming week at the least.

We now request all the industries to come up with their requirements for the number of rooms to be provided for their workers.

Requesting you to send the confirmed list at the earliest as the booking will be on first – come – first – serve basis.

Kindly do the needful last by 10<sup>th</sup> January 2018.

Thanking You in anticipation.

Yours faithfully,
