Silvassa.**

No. PWD.II/Road/ASW /2014/ 695

Date: 20/09/2014

To,
The President
Silvassa Industrial Association
U.T. of Dadra & Nagar Haveli
Silvassa.

Sub: Request for providing secondary information for Preparation of Comprehensive Traffic and Transportation Study for Dadra and Nagar Haveli District.

Public Works Department, Civil Division.NO.II (Roads), Silvassa has commissioned Comprehensive Traffic and Transportation (CTTS) study for the Dadra and Nagar Haveli District and the study is awarded to reputed Consultant - **M/s L&T-RAMBØLL Consulting Engineers Limited** to carry out consultancy services. As part of the study, Consultants are required to collect various secondary information from the respective departments.

In this regard, we request you to co-operate and provide required necessary information to the representatives of the Consultant. The information will be used to understand current travel pattern and projecting future travel demand of the study area. Future Transportation infrastructure improvements will be planned based on this study.

Your co-operation and support will help us in better planning the transport infrastructure for our study area.

The list of secondary data details required for the study is enclosed herewith.

Thanking you.

Executive Engineer
PWD, Civil division. NO.II (Roads)
Silvassa

7/2/8
