**Sub: Invitation to Bring a Delegation to GTTES 2019.**

**A strategic and Focused B2B Platform For Textile Engineering Industry.**

Dear Sir,

**Greetings and Good wishes from India ITME Society!**

January, 18<sup>th</sup> to 20<sup>th</sup> 2019, Mumbai, the commercial capital of India shall host the most strategic and key technology display and business connect for textile industry in India. For those textile industry members who have missed visiting the recent concluded ITMA ASIA + CITME 2018, this shall be an important opportunity to connect with manufacturers and see latest in the market.

GTTES 2019 has grown twice in size than its previous edition and has evolved as a key event for not only established and familiar brands, but also for new players in the industry.

GTTES 2019 has established itself as a largest and most important business event for textile engineering industry, filling the gap of 4 years between the mega India ITME series. GTTES 2019 is the best connect in Indian market for filling the gap between.

- Demand and Supply,
- Services and solutions,
- Sourcing and partnership,
- Focus and strategy

***It is not an event not to be missed***

This Prestigious Textile Engineering & Textile event is supported by "Make in India" Ministry of Commerce & Industry, Government of India, Ministry of Textiles, Government of India, Dept. of Heavy Industry, Government of India, Government of Maharashtra, Textile Department, The National Small Industries Corporation Ltd (NSIC).

This is the only event in India which is supported by Export Promotion Councils like **AEPC, PDEXCIL SRTEPC & TEXPROCIL**. GTTES 2019 is also supported by **48 International Industry Associations**, Universities and Media Partners across the globe.

GTTES 2019 is important platform to connect with Big Brands & manufacturers as well as for exploring new players in the industry, new suppliers, new service solutions, new price competitiveness. GTTES 2019 brings a bouquet of new and old sourcing solutions and opportunities on the floor for both exhibitors and visitors. It is best and largest networking event until the next mega India ITME series in 2020.

India being home to the world's second largest textile industry, GTTES 2019 Covers Machinery and engineering technology for:

- |                                       |                                     |
|---------------------------------------|-------------------------------------|
| • Spinning & Spare Parts for Spinning | • Technical Textiles                |
| • Weaving                             | • Dyestuffs & Chemical products     |
| • Processing                          | • Textile Machinery for Engineering |
| • Digital Printing                    | • Integrated Textile parks          |
| • Garment                             | • Software for Design               |
| • Knitting, & Hosiery                 | • Technical Information Services    |
| • Embroidery & Braiding               | • Associated Goods & Services       |

As you can see a very rich collection of textile technology, price competitive high quality textile machinery in all sectors are on display at India GTTES 2019. Which can be highly beneficial for your Members it is also an opportunity for your prestigious association to connect with Indian Association and Delegations in Mumbai.

**On behalf of Chairman Mr. Hari Shankar, India ITME Society and Steering Committee Members to cordially invite your associations to lead a Member Delegation to GTTES 2019.**

Once you express your interest we shall be happy to give you the details for delegation visit.

Look forward to your positive reply.
