To,  
Shri Ashish Kundraji, I.A.S.  
Hon'ble Administrator,  
Dadra & Nagar Haveli,  
Silvassa

**Sub: - New Industrial Policy – 2015**

Hon'ble Sir,

On behalf of all the three associations i.e. Silvassa Industries Association, Dadra & Nagar Haveli Industries Association and Silvassa Industries & Manufacturers Association, we convey our heartiest congratulation to your good self and your team for launching new **"Industrial Policy – 2015"**.

As per the vision of Hon'ble Prime Minister Shri Narendra Modiji, Government of India wants to develop our country as hub of manufacturing in international market. And under the mission of **"Make in India"**, Central Government desired to generate tremendous job opportunities for the youth of our country.

In line of Central Government Policy, the local Administration has launched new **"Industrial Policy – 2015"** under your able leadership.

The new policy shall attract huge investment provided, a very conducive atmosphere is provided for the new entrepreneurs, with assurance to grant the requisite permission, licenses and consent in minimum time limit and in transparent manner.

To minimize the time limit for granting of such permissions, it is our humble suggestion that, procedure should be simplified, paper work should be reduced and in every department, the delegation of power is decentralized, which will help in reducing the time and shall avoid the tossing the files from one table to another.

For example, in past the power of sanction and release of residential, commercial and LT power connections were delegated and vested with Deputy Engineers. But at present for such small power requirement up to LT connection also goes up to Superintendent-Executive Engineer level. So, it is requested that for small power requirement up to LT connection, the application should be disposed off at the level of Deputy Engineer only as per the practice prevailing in past.

Coordination Group of

**Silvassa Industries Association, Silvassa**

**DNH Industries Association, Silvassa**

**Silvassa Industries and Manufacturers Association, Silvassa**

In same way, in other Departments also the delegation of power should be decentralization, which will help for speedy disposal of application for various permission.

We are sure that, your honor shall look into the matter and issue the necessary direction in the interest of growth of industries in our territory.

Thanking you,  
With regards,

For Silvassa Industries  
Association

President

For Dadra & Nagar Haveli  
Industries Association
