

CII Workshop on “Enhanced Energy Efficiency in Industrial Lubrication”

12:00 pm, Wednesday, 16 September 2015, Hotel Fortune Park Galaxy, Vapi

Greeting from CII!!

I am pleased to share that CII has been spearheading a one of a kind techno-strategic initiative on “**Enhanced Energy Efficiency in Industrial Lubrication**”, focused on establishing the need for larger awareness on energy efficient lubricants that may help to achieve increased bottom-line, improved productivity and profitability across various industrial applications along with reduced carbon emissions.

The first report of this initiative was launched by Dr. Ajay Mathur, Director General, Bureau of Energy Efficiency (BEE), MoP at an exclusive session organized by CII last year. The report has described the technicalities behind Energy Efficient (EE) lubricants and their corresponding benefits, results from a primary survey that was conducted to assess the current understanding of EE lubrication, across various categories of designated industrial energy consumers and few real time case studies as well.

Further, we are in the process of developing a Protocol on Measurement & Verification to capture the benefits the using high performance energy efficient aspect in industrial lubricants & lubrication related subject. In this context, we have captured exhaustive inputs through many stakeholders consultation meetings at various places across India.

With the above background CII under the guidance & partnership with of Bureau of Energy Efficiency (BEE), Ministry of Power is organizing State level Workshop on **Enhanced Energy Efficiency in Industrial Lubrication** on **16th September 2015 at 12:00 pm, Hotel Fortune Park Galaxy, NH- 8, GIDC, Vapi**. A copy of the agenda is attached for your ready reference.

I am therefore delighted to invite you as **Distinguished Delegate** to join the program. Please note that there is **no fee** for the workshop, but prior registration is must. You may kindly confirm your participation by sending duly filled Reply Form (attached).

We appreciate your value and association with us and look forward to receive your confirmation at earliest.

Regards,
Chetan Contractor

STATE LEVEL WORKSHOP ON
“ENHANCED ENERGY EFFICIENCY IN INDUSTRIAL LUBRICATION”

16 SEPTEMBER 2015, HOTEL FORTUNE PARK GALAXY, G.I.D.C, VAPI

Programme Agenda

1200 - 1300 Hrs	Registration	
1300 - 1400 Hrs	Networking Lunch	
1400 - 1410 Hrs	A short film on “Enhanced Energy Efficiency in Industrial Lubrication”	
1410 - 1415 Hrs	Address (Video presentation)	Dr Ajay Mathur Director General, Bureau of Energy Efficiency Ministry of Power Government of India
1415 - 1500 Hrs	Presentation on Energy Efficiency in Industrial Lubrication	Dr. Suprotim Ganguly Head, Energy (Technology) Confederation of Indian Industry (CII)
1500 - 1520 Hrs	Sharing of Experiences & Customized Solutions on Industrial Energy Efficiency in Lubrication	Industrial Lubricant Specialist
1520 - 1540 Hrs	Questions & Answers/ Suggestions by Stakeholders	
1540 - 1545 Hrs	Concluding Remarks	CII

Confederation of Indian Industry

STATE- LEVEL WORKSHOP ON

ENHANCED ENERGY EFFICIENCY IN INDUSTRIAL LUBRICATION

16TH SEPTEMBER 2015, HOTEL FORTUNE PARK GALAXY, NH- 8, GIDC, VAPI

INVITEE REPLY FORM

Please send the completed form to:
