Sub:- **Strengthening / Up –gradation of roads with Signage, Storm Water Drains, Street Lights, Utility Service Trenches etc. and other future services related to roads with entrance gate in Industrial Estates of DNH.**

Ref :- Meeting held under the chairmanship of Hon'ble Administrator, DD & DNH on dated. 05-01-2017 in conference hall, Secretariat, Silvassa.

Sir,

In connection with above cited subject, it is to inform that, Hon'ble Administrator, DD & DNH has directed during the presentation of PWD, DNH held on 05-01-2017, to examine the feasibility for development of road stretches falling in the various Industrial Estates in UT of Dadra & Nagar Haveli by **PPP mode**, where it is proposed 50 % share to be contributed by the Govt. & 50 % share to be contributed by the respective Industrial units. All such works will be taken up after observing all codal formalities. In this regard, the details of ROW, present land available, present asphalt width etc. is required to be furnished to this department at the earliest please.

It is therefore, requested to take necessary action for development of Industrial Estate roads of this UT of Dadra & Nagar Haveli by PPP mode so as to initiate further codal formalities by the department.

Yours Faithfully,

(D.B Patel)

Executive Engineer,
PWD Civil DIVISION no. II (Road)
DNH, Silvassa.
