Sir,

With reference to the above subject, it is to inform you that a meeting with all Industries Association, DNH was held on 12.01.2016 to discuss various issues. During the course of discussion, it has come to light that M/s GEPIL, Mota Randha, DNH is not lifting the hazardous waste from the premises of authorized members due to some commercial dispute.

In this connection, you are requested to deal with the commercial dispute separately and lift the hazardous waste for scientific disposal from the industrial premises of the authorized members to avoid any untoward environmental issues.

Yours faithfully,
