Public Hearing Dt. 30.10.2017

Dt. 31st October 2017

Dear Members of Constituent Associations,

As had been announced earlier, yesterday, there was a public hearing.

Salient features were as under:

1. Loss of 100 cr in true up and proposal for additional surcharge of 36 paise on all HT/EHT consumers was objected.
2. Part of the petition proposing additional surcharge of 36 paise on all HT/EHT consumers for the period from Oct 17 to March 18 is not maintainable.
3. It was unfair on the part of DNH PDCL not to take previous years surplus into accounts.
4. Metering from sub-stations is neither fair, nor lawful.
5. Petition of DNH PDCL was vehemently opposed.

Thanking You.

Yours faithfully,

For Federation of Industries Association,

Atul Shah
