Millionaire program

✕ Have you ever wondered why some people are very rich or millionaires,some middle class and some poor although all of us have only 24 hours/day.
✕ Have you seen many educated, talented people leading a mediocre life whereas many simple, less educated people leading a “Millionaire lifestyle”.
✕ Why is the world's 80% wealth lying with only 20% of people.

Myths of being a Millionaire

✕ I am less fortunate, rich people are lucky. // ✕ I am not born in a rich family, wheareas millionaires are born with a golden spoon // ✕ I want to be rich but don't have any financial support // ✕ My age is a barrier // ✕ I have too many responsibilities , I cannot afford to take risk, I need a stable income every month through job // ✕ Ladies say, we are married , we have too many // ✕ responsibilities, family, husband, kids – in short we don't have time to do both i.e be rich and also take care of family
✕ I hate millionaires. They have earned money through unethical means.I don't want to be one among them. // ✕ I am a victim // ✕ If I become rich, I will forget my family and be only into work // ✕ Being a millionaire is a tough job. I am happy the way I am . // ✕ And so on and so forth // ✕ These are only Myths

Research shows that

- 95% of Millionaires are self made
- Most of them are 1st generation entrepreneurs and born to middle class parents
- Many have made it big even after age of 60 years for eg the founder of Kentucky chicken was 65 years when he started the business and became a millionaire

✕ There are many lady millionaires in contrast to the thought that only males can be successful as millionaires. /// ✕ Most of the Millionaires have the best of both worlds /// ✕ They are happy and rich /// ✕ They balance their work, and family very well /// ✕ They are nice and not snobs
✕ They are into charity as against the belief that millionaires are selfish. /// ✕ They are excellent in money management. /// ✕ They are frugal and not spendthrift

What has set these millionaires apart from the rest of the crowd

- ✕ A unique Mindset ---- ✕ Unique characteristics, distinctive traits, behavior, pattern
- ✕ Excellent in Money Management ---- ✕ Action driven ---- ✕ Passive Income
- ✕ Entrepreneurship ---- ✕ Excellent in Marketing & Sales ---- ✕ Philanthropic attitude
