

UT LEVEL SKILL DEVELOPMENT MISSION DNH

Dear Members of Constituent Associations,

The Open House on Skill Development was held yesterday at "Town Hall" under the Chairmanship of Sh. S.S Yadav Advisor to Hon'ble Administrator. Ms. Pooja Jain, IAS who was the key speaker highlighted the initiatives taken by the administration towards development of skills of local youth. She informed the house that administration plans to target 4000 youth with better skills, better employability. The Open house was attended by the representatives of Industries also.

Federation thinks there are possibilities to utilize this skilled youth in Industrial units of the UT of DNH.

Federation has been assigned to develop a pool of resource persons who are capable and have in carination to help youth become employable these resources would be imparting employable skills like Communication, Leadership, Analytical ability, Drafting, Taxation Law, Employment Law,

Tally, ERP etc

Federation appeals all constituent associations to request their members to circulate the idea of pooling the resources in their employees. Names of interested resource person may be forwarded to Ms. Sonali Sheth at federation.silvassa@gmail.com with format attached.

Federation also planning joint initiatives to overcome shortage of properly trained manpower for the Industries specially Texturising sector.

Federation will soon have sector wise meeting of the industry to fill the skill gaps.

Regards

Narendra Trivedi

General Secretary

Federation of Industries Associations, Silvassa
