All are requested to join both the meetings, i.e. preparatory as well scheduled meeting Hon'ble Collector, even though they may find their names not in the meeting notice dated 17.-7.18 (copy attached).

Members may also send their confirmation whether they are attending both the meetings to (Respective Association's mail ID) and also may send their suggestions with brief narration on matters to be taken up during the meeting.

Some issues, which Federation has perceived are as under.

1. VAT - ...

1. VAT return

2. Augmentation of Fire Services by having new fire stations at Dadra, Naroli, Khanvel, Khadoli and Sayli.

3. Online verification of C form should not be mandatory

4. Review of time provided for renewal of consents under Environmental laws in Samay Sudhi programme. In fact renewal should be spontaneous, as there is not protocol necessary in the process.

5. In case of online applications, if PCC, has any query, it should send the queries in one go, instead of piece mill. Queries must be within a week.

6. Mushroom growth of unions.
