Sub: Skill Development Programme on Machine Shop Practice – reg.

Sir,

With reference to the above subject, you may be well aware that Branch MSME DI, Silvassa conducts two batches of Skill Development Programmes on Machine Shop Practice every year and the duration of each course is Six Months in the Common Facility Workshop attached to this Institute with an object to provide skilled man power to the SMEs of this area.

The course contents of the programme includes basic Machine shop practice and improving the skills by self-operating Milling Machine, Lathe Machine, Shaping Machine, Tool & Cutter Grinder Machine, Drill, Power Hacksaw, Bench Grinder etc. the first batch of the programme will start from 01/04/2017 to 30/09/2017. The course fee and admission procedure last date, etc are given in the attached Advertisement copy.

In this regard, you are requested to kindly give it wide publicity among the member units of your Association and motivate them to sponsor more and more candidates so as to avail benefits of the above course for the skill development of the employees and thereby increasing the production and quality of products.

Your co-operation in this matter is highly appreciated.

Yours faithfully,

  
[K.H. SHAH]  
Deputy Director I/c
