Sub: Proposal for setup of WiFi Hotspot in D&NH

Dear Sir,

The UT Administration of D&NH is under the process of initiating setting up of WiFi Hotspot in D&NH under Digital India Programme in co-ordination with BSNL.

The WiFi Hotspot in the UT of DNH will allow citizens to access the internet using laptops, smart phones or other devices. This facility will provide online access as and when the public need for various purposes like e-library, digital transaction, digital literacy without the restrictions and slow connectivity.

BSNL has identified 12 important locations and tourist points in Silvassa and Khanvel.

Your help and support will go a long way in moving the UT towards Govt of India's vision of Digital India.

The proposal with the identified locations and respective cost is enclosed for your reference please.

Thanking You,

Yours' faithfully,

Shivam Teotia
