## ABOUT US

SCOPPE (Silvassa Centre of Personal and Professional Excellence) is a firm, established with an aim of providing one stop solution to an organization, focusing on every aspect of working through the statistical work place.

SCOPPE was formed with an aim to develop the standards and associations among the organizations.

We hold expertise in offering corporate consulting services to numerous industrial and commercial sectors as per their requirements. The consistent efforts of our team of young professionals have enabled us in providing best possible services as well as latest updated information at appropriate time.

SCOPPE was established by putting two entities under one head, i.e., **S K Management Consultants** and **PINNACLE Training & Consultancy Service**.

## VISION

Our vision is to become a globally respected consultancy, providing high-quality and cost-effective services to our clients. To achieve this, we offer a broad range of services to meet the ever-increasing demand of our clients.

## MISSION

Our mission is to offer innovative, dynamic and complete solutions to our clients and supporting them in achieving their business goals.
