Sub: Regarding Business Seminar "Udyogniti" on 10th October 2015

Dear Sir,

We have analysed that, being an industrial belt, Silvassa entrepreneurs are busy in their daily tasks and forget to sharpen the axe. World class trainings are generally imparted in Metros and we people are not able to catch them due to travelling time and expenses.

To overcome this difficulty, we have brought the solutions to deliver the training seminars for Entrepreneurs. We have tied up with Udyogniti Training Institute from Mumbai, who are leaders and focused to inspire the entrepreneurs and organisations. They have Head Quarter in Mumbai and are affiliated to MBTB (Maharashtra Business Training Board) and GBTB (Gujarat Business Training Board). They have invented Business Trainings in Native language, which are highly successful all over Maharashtra.

We have asked them to introduce, Business Seminar "Udyogniti" at Silvassa in Hindi Language.

Through these trainings, entrepreneur will get insight on:

- Business growth without expansions and capital investments
- Income Growth without compromise on quality and ethics
- While having personal time, Family time and will be able to maintain wellness of self , family and employees
