Vapi Industries Association came into existence in 1971. The founder President of VIA is Shri Rajjubhai D Shroff, Chairman & Managing Director of M/s. United Phosphorus limited. The present membership strength is around 1500 industrial units situated in Vapi GIDC Estate.

Vapi Industries Association, popularly known as VIA, is the most vibrant organ of the Industrial Township. As an integral part of the Notified Area Administrative Committee, VIA has been instrumental in all developmental activities that have gone into bringing up the township to what it is today.

Besides organizing on a regular basis Seminars, Symposiums, Business Meets, Human Resources Development Programs etc., the Association organizes an Industrial Exhibition once in which industries and trade from across the country participate.
