Hon'ble Chief Minister,
Government of Gujarat

"Technology wields tremendous power in bridging distances and overcoming other barriers. Through the use of knowledge networks, academic institutions can defeat physical constraints and reach one another in a meaningful collaboration of ideas, thoughts and knowledge."

It gives me pleasure to read that the Sundeep Trust and AIMA MSME is going to organize e-Learning 2030: Education Technology Conclave on 27 th May, 2016 at Ahmedabad. The conclave will mainly focus on the themes like-adoption of technology, learnability and impact, innovative models and technology interventions and more. A technology driven approach is the need of the hour.

Conveying my best wishes for the the grand success of this Conclave, I congratulate all the organizers for this noble educational cause.

With best complements

Smt. Anandiben Patel

Shri Bhupendrasinh Chudasama

Hon'ble Minister, Education (Primary, Secondary and Adult), Higher and Technical Education, Food, Civil Supplies and Consumer Affairs, Legislative & Parliamentary Affairs
Government of Gujarat

Gujarat has been at the forefront of every innovation and industrial development. In this spirit, I am glad to announce that we are also ushering in a digital evolution in the higher education sector of our state.

We are partnering with AIMA MSME, an apex body of the SME sector and the Sundeep Trust in association with Dragonfly Education in organising the elearning 2030 : Education Technology Conclave at Ahmedabad on the 27th of May 2016.

Our endeavour will be to bring about complete development and progress in the education sector under the Digital India elearning mission.

Shri Bhupendrasinh Chudasama
