CIRCULAR

Sub: Invitation of proposals for Technical Cooperation Programmes under the various Official Development Assistance (ODA) Schemes for the fiscal year 2016.

Government of Japan has invited proposals for Technical Cooperation under their Technical Cooperation Programme for the fiscal year 2016.

2. JICA carries out Project Type Technical Cooperation through which they provide integrated assistance, from planning and implementation to evaluation, by combining three basic forms of cooperation assistance in a cooperation package: (1) technical training in Japan, (2) dispatch of experts, and (3) provision of machinery and equipment. The programme involves transfer of Japan's experience, technical know-how and expertise to counterpart personnel in recipient countries as a single project within a desirable duration whether it is short or long.

3. The entire cost for the above activities is funded by the Government of Japan and implementation is facilitated by JICA. The Indian executing agencies have to provide relevant information to JICA for preparing project documents, counterpart support for project related activities, and arrangement for visit of Japanese project personnel.

4. While formulating the proposal, the nature and objective of the Technical Cooperation Projects as elaborated in para 2 above may be strictly adhered to. It may also be kept in mind that the size and scope of the proposal should be modest and realistic in terms of its cost implications.

5. Your Ministry/Department is requested to prepare proposals including those from state governments to avail of the above offer of Government of Japan and send proposals in triplicate in the prescribed proforma and the screening format (copies enclosed) with the approval of Joint Secretary concerned so as to ensure it reaches this Department latest by 10.08.2015. Proposals from the State Governments should be sent through the concerned central line ministries. Proposals received directly without comments/recommendation of central line ministries will not be entertained. Strict adherence to the deadline will be appreciated.
