

U.T. Administration of Dadra & Nagar Haveli and Daman & Diu
(Department of Industries)

District Industries Centre, Udyog Bhavan, Ground floor, 66 KV Road, Amli, Silvassa.

No. DIC/25(29)/MISC/2022/ 248

Date: 13/05/2025

To,

All Textiles industries,

Dadra & Nagar Haveli and Daman & Diu.

Subject:	Submission of Textile data on 'Comprehensive Mapping of Textiles Value Chain'
Ref.	D. O. No.05/01/2024/ DMED-Part 2, dated 03/05/2025

Sir/Madam,

The Government of India, Ministry of Textiles, Udyog Bhawan, New Delhi informing that the 4th National Conference of Chief Secretaries, chaired by the Hon'ble Prime Minister underscored the urgent need for States to undertake a '**comprehensive mapping of the textiles value chain**'. This strategic initiative aims to pinpoint strengths, bridge gaps, and maximize sectoral potential, aligning with India's vision of Aatmanirbhar Bharat and Make in India.

2. The textile sector, a major drive of employment and exports, holds immense potential for value addition across the diverse sub-sectors – cotton, wool, silk, jute, handlooms and throughout the value chain. A detailed mapping exercise will identify strengths, opportunities, and gaps, forming the foundation for State-specific textile development plans. This initiative will also align the State's priorities with flagship programs of the Ministry of Textiles, including PM METRA Parks, PLI Scheme, National Technical Textile Mission, National Handloom/Handicraft Development Programme, and SAMARTH, fostering growth and competitiveness.

3. The Ministry has prepared an indicative template for compiling the required information, vide letter dated 03/05/2025.

4. For any further information, please contact Mr. Rasikbhai Patel, Project Manager, DIC, DNH (+91-9824066319) and the duly filled information in prescribed template inclosed may be sent on email id: dic-dnh@ddd.gov.in on or before 18th May, 2025.

5. This may kindly be treated as '**MOST URGENT**'.

Yours faithfully,

Project Manager (DIC)
Dadra & Nagar Haveli
